Back in 1990, when co-founders Joe and Jon Gilstrap decided to open a dental practice, they knew they wanted a name that conveyed the focus on excellence and quality of service. It worked! And now, almost 20 years later, that name, almost forgotten since 1987, is back again, changing hands once more.Â This time, though, Hank Gilstrap has given the practice its new name. Hank Gilstrap is now Hankâ€™™s Dental Care. That may surprise

excited about his new role. "I am pleased to be a part of the team that will move the practice forward. I am looking forward to the challenges ahead and the opportunity to continue the growth of a strong, patient-centered, and physician-controlled practice," Manning said. Wescott said she's thrilled about the new direction for the practice and appreciates the opportunity to have work with Gilstrap again. "I'm very excited about Hank's Dental Care and the opportunities he's presented to us as our new medical director," she said. Dr. Brad McGowan, Gilstrap's associate, said
